

OPEN POSITION

Project Manager – Project Logistics (m/f/d)

 **Turku, Finland** **full-time** **onsite / hybrid**

TGP is recruiting a structured and customer-focused Project Manager – Project Logistics to manage international transport projects for its office in Turku, Finland.

This includes but is not limited to planning and executing international shipments, preparing quotations and feasibility checks, negotiating freight rates, and coordinating transport documentation and customs processes.

You bring several years of experience in logistics or project logistics, strong knowledge of transport regulations and global supply chains, as well as solid communication and negotiation skills in an international environment. Fluency in Finnish and English is required.

You are reliable, highly organised and customer-focused, and will work closely with an experienced global logistics team.

Ready to join us? [Apply now.](#)

Key Responsibilities

- Plan and execute international sea, road and cross-trade shipments
- Prepare quotations and feasibility checks, and negotiate freight rates
- Manage all transport documentation, customs processes, permits and insurance
- Handle complex shipments, including heavy lift and dangerous goods
- Monitor job profitability and take full ownership from start to completion
- Manage suppliers, invoices and receivables
- Handle claims, issues and customer communication
- Support business development through market analysis and client interaction
- Ensure high data quality and correct use of internal systems
- Follow quality, safety and environmental standards in daily operations

Candidate Profile

- Several years of experience in logistics, ideally in project logistics or heavy transport
- Strong understanding of global supply chains and transport regulations
- Good communication and negotiation skills in an international environment
- Fluent in Finnish and English
- Willingness to travel internationally
- Background in freight forwarding or logistics (vocational training or degree)
- Structured, reliable and customer-focused way of working

What we offer

- Responsibility for complex, international logistics projects
- High level of autonomy and decision-making
- Close collaboration within an experienced global team
- Opportunities for professional growth in a specialised project logistics environment

Why Join TGP?

Trans Global Projects (TGP) is a global leader in project logistics management, headquartered in England, with offices on six continents.

Alongside exceptional project logistics services, TGP specialises in ship chartering and transport engineering, serving industries such as oil and gas, renewables, mining and metals, construction and infrastructure, and power.

TGP's subsidiaries provide comprehensive global freight forwarding solutions, complemented by value-added services including customs brokerage, insurance, and biosecurity.

With a focus on delivering tailored solutions for complex logistical challenges, Trans Global Projects ensures reliable support for even the most demanding requirements.
